Session Title:
Data Analytics & Visualization
Session Chair:
Dr. Nitin Goyal, Dr. Raj Gaurang Tiwari

Affiliation:
[1] Computer Science and Engineering Department, Shri Vishwakarma Skill University, Haryana

[2] Computer Science and Engineering Department, Chitkara University Institute of Engineering and Technology, Chitkara University, Punjab, India

Abstract: This special session aims to bring together scientists, engineers, and researchers interested in analysis of data and presentation of the data using visualization techniques. Data analytics is a rising research domain with applicability in various popular fields like clinical systems, Agriculture, intelligent system, medical field etc. Researchers are invited to share their novel work in latest trending area of data analytics and visualization. Using Machine learning, we can efficiently automate these monotonous processes and even eliminate "boring" duties for people, freeing them up to be more creative. In this special session the focus of our group is especially on the proposed theme of data analytics, visualization as well as different applications of machine learning and deep learning.

Topics of Interest:
Contributions must be novel and related to the subject above.

List of Session Topics
Data Analytics
Visualization
Data Mining
Deep Learning
Machine Learning
Business Analytics
Big Data Analytics
Artificial Intelligence
Natural Language Processing
Other similar domains

Paper Submission Process: Please submit your paper (inword) to easyChair portal and submit the paper titles and easyChair ID to us at adsss2022@chitkara.edu.in
