CA brings Laurels @ Conference

Ms. Deepika Chaudhary, Associate Professor, Department of Computer Applications, represented Chitkara University in the 4th International Conference on Advancements in Engineering & Technology held on 18th & 19th March 2016 at BGIET, Sangrur and her research Paper on "Design of Mobile Ontology for optimized searching in online shopping websites" was awarded as the Best Paper in Computer Science & Engineering Domain.

CA Faculty shines @ Infosys

The Faculty Enablement program (Foundation Program 4.0) at Infosys Chandigarh DC from 4th Jan-9th Jan, 2016

was held to share industry experience and learning methodology..The workshop aimed at

significance and usage of tools in industry and practical approach towards solving business problems.

Mr. Jatinder Ashta, Assistant Professor, Department of Computer Applications, School of Computer Sciences, secured A+ Grade in Group Activity given by the FEP team.

Excuberanza– A patriotic event @ CA

A literary event comprising of three competitions was organized on 29th January 2016 by the Department of Computer Applications, School of Computer Sciences. The three events organized under the banner of Excuberanza-2016 included Multimedia presentation competition, Poster-making competition, Quiz on India & Indian Culture.

The theme for multimedia presentations and poster-making competitions were “*Make in India* and *Anti-Terrorism*”. All participating teams put in hard labour to prepare the presentations and were able to showcase not only their mastery in preparing multimedia presentations, but they also depicted effectively the perceived outcomes of the “Make in India” campaign launched by Sh. Narendra Modi. A few presentations depicted the ugly face of terrorism through pictures, and relevant data.

Harsh Jatawat, BCA-II was awarded first prize in poster-making competition.

Another activity consisting of Quiz on India & Indian Culture received overwhelming response with 25 teams registering for the same. The quiz comprised of multiple rounds, with each round seeing the elimination of some teams. The Quiz was won by the team from BCA-MCA (I)- 4 comprising of Amar and Arun Alex.

Dr. Jaiteg Singh, Professor, CURIN, Mrs. Deepika Chaudhary, Associate Professor, Department of Computer Applications, and Mr. Naveen Sharma, Assistant Professor, Department of Computer Applications, presided over the event as judges. The effort of the participants was lauded by the guests from various departments of the campus. Mr. Vikram Mangla, Dy. Dean, School of Computer Applications gave away the prizes to the winning teams. He congratulated the winners and also appreciated other participants for the time and effort put in by them for preparing the presentations.

The team comprising of **Dalveer Singh and Vijender Singh**, BCA-MCA(I)-4 was awarded first prize in multimedia presentation competition.

The entries in poster-making competition also received appreciation by the judges and other guests. The competitors tickled their grey cells and came up with their own unique picture to depict one of the two themes in an impressive manner.

Farewell party for CSI student members

CSI Student Chapter, Chitkara University organized farewell on 20th Feb 2016 for the outgoing CSI Team with great enthusiasm. The Function commenced with a heart warming welcome to the outgoing CSI members by the current members of CSI Student Chapter. Token of love and appreciation was given to the active members of CSI by Program In charge Ms. Deepika Chaudhary and Dr. Jaiteg Singh. The event was highlighted with some exciting games like Straw Ball, Balloon blustering and drum shred arranged for both the students and faculty in which different tags were awarded to the students. A ramp walk with funny props for students and faculty added more excitement to the event.

The event ended with a thanks giving speech by the faculty coordinator of CSI, Mr. Jaswinder Singh, Assistant professor, Department of Computer Applications, Chitkara University. Ms. Deepika Choudhary, Program In-charge, Department of Computer Applications, wished good luck to the parting students of CSI for their future and appreciated the efforts of CSI Team.

CSI foundation day celebrated

CSI Chandigarh Chapter celebrated Foundation Day on March 12, 2016 (Saturday), at IETE, Chandigarh. As a part of celebrations, CSI organized Multimedia Presentation contest on the topic **“Innovations in ICT”** for the students from various colleges under CSI chandigarh Chapter. Two teams, from Department of Computer Applications, Chitkara University, Punjab, participated in the contest among which the team of Dalveer Singh and Vijender Singh of BCA-4 won third prize in the contest.

Cultural Event for CA students

In order to refresh CA students, a cultural event comprising six competitions was organized by the Matrix Club under the aegis of Department of Computer Applications, School of Computer Sciences, Chitkara University, Punjab. The six events organized under the banner of the cultural event included Singing Competition, Dance Competition, Exhibition - Sketching, Exhibition - Photography, Mimickry, Paper Dance for students and Faculty (Fun Activity)

Students participated wholeheartedly in the event and won various competitions. Himanshu Dhiman of MCA-II was awarded First Prize for Singing, while the Second Prize was bagged by Pushkar of BCA-II and Third Prize went to Shubham BCA-II.

In Dance Competition, Riya of BCA- 2 was awarded First Prize. Pushkar of BCA-2 and Ravneet of BCA-4 were awarded Second Prize.

or-

of

Chitman, BCA-4, brought about the laughter amongst the audience with his humorous mimicry and was awarded First Prize in this category.

The fun competition, Paper Dance, came out to be the most enjoyable part of the day. The students as well as teachers participated with enthusiasm, and the audience too enjoyed the event. Among faculty, Mr .Jagwinder Singh and Mr .Mohit Garg, Assistant Professors from the Department of

The Sketching and Photography contests also received noticeable number of entries from the participants. The competitors came up with their own unique pictures to depict the beauty of nature. The entries received appreciation by the judges and other guests, and judges had tough time in deciding the winners. Harsh Jatawat, BCA-II was awarded First Prize in Sketching contest, while Tejinder Singh , BCA-II, bagged the Second Prize. Lakshay Aggarwal ,BCA-II, brought to the fore his photography skills, and went on to grab the First Prize. BlessyDev, BCA-II, put forth some unique pictures, and bagged Second Prize in the category.

Computer Applications were adjudged the winners in this category. Mr. Vikram Mangla, Dy. Dean, School of Computer Sciences gave away the prizes to the winners. The judges for the various activities, were also felicitated. Mr. Vikram Mangla, in his closing speech, congratulated the winners, and appreciated the

hard work put-in by Team Matrix in making this event successful. He also urged the students to participate in all event to be held in future.

Hostel Activity by CSI and Matrix

To remind us of one of the most popular traditional game of India, Kho-Kho, the Matrix Club joined hands with the Epic Youth Club to organise Hostel Activity for the Chitkara University hostellers. Kho-Kho, a game filled with energy and shout-outs for the running players was organised for two days in the evenings of March 16-17, 2016. All members of the Epic Youth Club

gathered in their signature epic T-shirts to play the adrenaline-charged game. The semi-finals took place on the first day where the winning teams paved their way into the finals. On the following

day, the qualified teams played with all their might to emerge as winners. Cloudy sky and pleasant breeze made the ambience more lively and blithely. The two winning teams, in boys as well as girls categories, took home the prizes, with the players from both teams having developed friendly bonds amongst themselves—courtesy the rich heritage game called Kho-Kho.

Workshop on Intricacies of C language

Department of Computer Applications organized one day workshop on “**Intricacies of C Language**” on 12th February 2106. The workshop was conducted by internal faculty members Mr. Vikas Rattan and Mr. Preetinder Singh Brar, Associate professor, Department of Computer Applications.

Objective of the workshop was to acquaint the learners of BCA Second semester with advanced concepts of C language that are usually not covered in routine class room lectures. The session was indeed informative and the participants were quite receptive to the ideas shared by the speaker. In afternoon session, learners were taken to the computer labs for hands on problem solving session.

Workshop on Java Using Eclipse

Department of Computer Applications, Chitkara University, Punjab Campus organized a one-day workshop on Java using Eclipse IDE on 18th February 2016. Mr. Ashish Aggarwal, Sr. Software Engineer II, Quark, conducted the session. The workshop was attended by students of MCA-2 and BCA-4. The speaker shared certain practices prevalent in the industry pertaining to programming using Java, and other technologies. The session was indeed informative and

the participants were quite receptive to

the ideas shared by the speaker. Participants were told about the various IDEs available for Java. The workshop was able to achieve its intended objective of driving the students to the point where they begin to comprehend the problems and then realize the appropriate solution thereof by employing object oriented paradigms.
